

UNITED STATES BANKRUPTCY COURT
FOR THE EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

In re:

Case No. 07-64523

DAVID WILFRED DUPUIS, JR.,

Chapter 13

Debtor.

Judge Thomas J. Tucker

**ORDER OVERRULING OBJECTION TO CONFIRMATION OF
DEBTOR'S CHAPTER 13 PLAN**

This case is before the Court on a letter filed by creditor Linda Dupuis on October 14, 2008 (Docket # 35), which the Court construes as an objection to confirmation of Debtor's Chapter 13 plan. The Debtor's Chapter 13 plan in this case was filed on December 1, 2007 (Docket # 2) and was confirmed more than seven months ago, on February 28, 2008. (*See* Order Confirming Plan, Docket # 29). Accordingly, the objection to confirmation of the Debtor's plan was filed many months too late. The objection will be overruled for this reason.

This Order does not preclude this creditor, Ms. Dupuis, from filing an appropriate motion for relief from the order confirming the plan, or an appropriate motion to modify the confirmed plan, or an appropriate motion for some other appropriate relief, but any such motion must fully comply with the Court's local rules.

Accordingly,

IT IS ORDERED that creditor Linda Dupuis's objection to confirmation of Debtor's Chapter 13 plan (Docket # 35), is OVERRULED, without prejudice to her right to file an appropriate motion for relief from the order confirming the plan, or an appropriate motion to modify the plan, or an appropriate motion for some other appropriate relief. Any such motion must fully comply with the Court's local rules regarding motions.

Signed on October 17, 2008
